**Spring
Fling
Carnival**

Saturday, April 13

10:00 a.m. to 2:00 p.m.

Treasure of the Hills Senior Center

408 Ridgewood Dr. • Cedar Park

This year's Spring Fling, which features a carnival theme, will be held on Saturday, April 13. The doors will open at 10 a.m. and close at 2 p.m. at the TOTH Center. As most good carnivals, the event will feature games, food and music.

Games will include "Take-A-Chance," "Can You Sink it?," "How High Can You Go?," and "Corn Hole." There will be fun and prizes for all ages, so bring your children and grandchildren and enjoy a family day.

Tickets will be available at the office before the event. Tickets will be \$1 each, and a \$10 purchase will get you a Pat's Pulled Pork Plate (try to say that three times quickly) and 20 chances at games. Cheese and pepperoni pizza will also be available at \$2 a slice. We will take credit cards at the door for a minimum purchase of \$10. Each ticket gives you five chances to win.

Of course, we can't do this without volunteers, so if you want to be part of this breezy and fun spring party, please give our chairman Rosa Din a call at 512-507-2972 or Ann Bordelon at 832-600-9632.

We need volunteers to work the day of the event in two-hour shifts: Shift 1 will be from 9 a.m. to 11 a.m. Shift 2 will be from 11 a.m. to 1 p.m. Shift 3 will be from 1 to 3 p.m.

We also need baked goods: cakes, pies, candies, cupcakes and cookies, please, including sugar free and gluten free options.

Finally, we need baskets filled with whatever your imagination thinks would make a good door prize or game prize: sweets, toys, fancy dish towels, stationery or greeting cards, whatever your imagination can dream up.

TOTAL ECLIPSE WATCH PARTY

President's Message

By Ellen Fannin

You may have noticed some changes in the Golden Gazette. We are working on a brand new look and we are open to input. Our goal is to make it more visually appealing for all platforms and to have articles that will keep you informed about the events and activities at TOTH.

We would like to thank Barbara Duprey for her work on the Gazette over the last two years. Serving as the editor requires organizing, juggling and creativity and she has done a great job.

Your Board of Directors has been busy with a variety of projects, not the least of which is the undertaking of revising the by-laws. Later in the year, there will be a meeting when the membership can vote on the revisions.

From the Director

By Lisa Leirvaag

In March, the three Bradford Pear trees on the south side of the Center had to be removed. The roots had begun to interfere with the water line, causing a water leak. Bradford Pear trees are fast growing, but short-lived. One of the trees was already dying. Rather than planting new trees, the City of Cedar Park has allotted \$1500 for planters, soil, and plants.

The City also extended the railings to the handicap parking spaces and installed a new water heater on the kitchen side of the building, replacing the 30-year-old model.

The City will also be replacing the exterior door to the great room on the east side of the building where the ramp is.

The "Research Study on Health Technology in Primary Care" is still ongoing. If you are interested, grab a flyer from the front office. Participants will be given a \$100 gift card upon completion.

Have you noticed the new flowers in the planters and the blue-bonnets in the beds? The Texas Primroses and the red yucca in the round bed by the shed are blooming. Spring is here!

VP Notes

By Chris Campbell

Thanks to all the volunteers who have stepped up to help with the Spring Fling and the Senior Senior Prom! And a special thanks to Rosa Din, who graciously agreed to chair both committees! (It's not too late to add your hat to the ring for these, especially the Prom.)

One item that has been suggested for the raffle that is taking place at the Spring Fling is to make baskets loaded with goodies of one type or another. For instance, a basket with a recipe including all the makings for that recipe. (If it takes eggs, well, you might want to leave those up to the basket winner to add later on. Just sayin'.)

The results of the recent Treasure of the Hills 2024 Survey have been tabulated (including some outstanding analysis by Board Member Becky Goad), and some interesting data has been gleaned. In particular, there is a widely held desire for Senior Group Trips. We are now looking for suggestions for museum trips, historical trips, theater outings, musical events, dances, fashion shows, market trips, river cruises, karaoke sites, interplanetary voyages (wait, scrap that last one) - you get the idea.

This is probably best handled through another Committee Chairperson, so we are hoping for someone to step forward with an interest in leading the charge; especially if YOU were one of the folks who made such suggestions on the survey (hint, hint, no pressure!). You can contact me at cecema@earthlink.net to volunteer.

SENIOR EXPO VOLUNTEER & PLANNING MEETING

It doesn't seem possible but the Senior Expo is a short 6-months away. With the new venue (Twin Lakes YMCA) and the date (October 5, 2024), we expect a huge increase in activity and participation from both vendors and attendees. We would love your help in making this major fundraiser a huge success!

A Volunteer & Planning Meeting is schedule for Wednesday, April 10 at 11:00 a.m. in the Great Room at TOTH. We will discuss the opportunities that you can choose to help with; a tentative list of teams is below. Following the meeting, we are providing you with a FREE lunch.

Please let us know that you plan to be in attendance by signing up in the front office. If you are unable to attend, but want to volunteer, please email us at EXPO.TOTH@gmail.com and let us know what you are willing to work on.

The following safety tips are provided by Jeff Anderson, Williamson County Constable, Precinct 2, as a public service for the safety of all citizens in our area. To learn more about Jeff, visit the Wilco website, <https://www.wilcotx.gov/398/Precinct-Two>.

When at Home Alone

- Keep doors and windows locked even when you are at home.
- Check who is at the door before opening it, and do not open the door to an unexpected visitor.
- If someone comes to your door asking to use the phone to call a mechanic or the police, keep the door locked and make the call yourself.
- Ask for photo identification and credentials from any salesperson who requests entry to your home. Ask that their ID be pushed under the door. Many professional burglars use this cover to check out homes. If you are doubtful, check with the person's office before letting him or her in.
- If you return home and you suspect forced entry, DON'T GO IN! Call the police to help you check the house.
- Dogs are good deterrents to burglars. Burglars do not like to have attention drawn. Be aware that trained guard dogs do not make good pets.

The BCH (Books in the Cedar Hills) Book Club will meet on Friday, April 12th at 9:00 a.m. at TOTH to discuss *Foundation*, by Isaac Asimov.

In an online review by Book Analysis, it says, “*With its fantastic story, intricately detailed world-building, and interesting characters, Foundation has earned its place as one of the novels that set the stage for the world of science fiction.*”

Foundation features interesting dialogues that reflect the ideologies of Isaac Asimov. Crafting the story after the Roman Empire, Isaac’s attention to politics and the delicate role Economics, religion, and science plays in receding empires made the novel exceptionally realistic.

Come join us in discussion of this book!

April Presentations

Each month, the Center offers presentation on topics that can help you in your day-to-day life. Reservations are desired especially when a meal is served. You can register in the front office of the Center or call 512-331-6000.

HONORING OUR HERITAGE

A Recognition of Long-time TOTH Members

APRIL HONOREE—DICK PLANCK, TOTH’s “Numbers Man”

By Ann Bordelon

This month, we honor Dick Planck, a 30-year member and long-time treasurer for TOTH. Dick is credited with modernizing the group’s accounting system and for convincing the board to create the center’s successful investment program.

One day in 1994, Dick and his late wife, Dodie, realized that someone was moving furniture into the vacant building at 408 Ridgewood in the newly annexed Buttercup Creek subdivision of Cedar Park. Turns out, TOTH was coming to the neighborhood.

The house had originally been a home, but later became the office for the Buttercup Creek Municipal Utility District (MUD). When Cedar Park annexed the subdivision, the MUD was dissolved and the building vacated. The Treasure of the Hills Senior Center board was looking for a building and this one seemed a good fit. Then, in 1994, the City and TOTH came to an agreement to and volunteers were moving in when Dick and Dodie discovered them.

“One day, we noticed some activity, so we walked over and introduced ourselves,” Dick remembers. “One of the first people we met was Lois Carlson who manned the reception desk for years.” Dick and Dodie liked the people they met and liked the idea of a place where local seniors

could gather to socialize and build relationships.

Dick’s first volunteer work involved landscaping and grounds work. “I helped spread dirt and placed rocks in key places,” he notes, peeking out a window to see if some of the rocks are still there. They are. Dick was also

involved in additions to the building, including the Great Room and later the TV Room.

Dodie was an active volunteer also, editing the Gazette from the beginning. She had edited a newsletter for the Buttercup Creek subdivision before the annexation. “Some of the folks knew about her experience,” Dick says, “And so she started a newsletter for TOTH.”

Dick remembers that activities, in those days, included bridge, canasta, exercises, quilting, potluck lunches and pinochle. “I played pinochle,” he says with a grin.

An electrical engineer by profession, Dick had an affinity for organization and also possessed excellent computer skills. When he was elected treasurer of TOTH, he put those skills to work. “I set up spreadsheets and reports so the board could easily tell what was happening with our finances,” he notes.

He also convinced the board to start investing some of the center’s funds. “We started with money market funds and from there it grew,” he explains. Currently TOTH has a substantial investment fund thanks to the encouragement from Dick.

Dick can’t recall exactly how long he was treasurer of TOTH, but he is sure it was more than 20 years. “Dodie and I did a lot of work for TOTH over the years,” he recalls, “but we also had a lot of fun.”

“Dick was a major influence on TOTH’s financial health,” says current TOTH President Ellen Fannin, “But his real value to us has been and continues to the foundation he laid for our financial security. We are extremely grateful to Dick for his dedication and devotion to the well-being of TOTH.”

April is National Volunteer Appreciation Month

Excerpts from <https://www.discoveryvillages.com/senior-living-blog/how-texas-seniors-benefit-from-volunteering>

April recognizes all those who give their time and energy during National Volunteer Month. Volunteers come in all shapes and sizes. They pick a cause and make a difference in someone's life.

It is Simply Good for You

This may sound overused but it is true – volunteering is simply good for you mentally, physically and emotionally. Your self-confidence is in check because you can do something to benefit others not to mention something you do well. The end result is good, mental and emotional health.

It Allows You to Do Something You Love

One of the best things that you can do after retiring is volunteer in a position that uses your professional expertise. With the longevity of your professional or work experience, you have a lot to offer an organization. The opportunities are endless.

It Promotes Interaction with Others

Some senior citizens tend to withdraw from society as they age or experience dramatic loss in their lives. Volunteering encourages interaction with others giving anyone who participates the chance to be around others and make new friends who enjoy the same activities.

COME BE A VOLUNTEER! TOTH HAS A PLACE FOR YOU!
