President's Message

By Ellen Fannin

As we begin a new year and a quarter of the way through the 2000s, I wanted to take a look at the events of 2024 and all the things that have happened at TOTH over the past year.

In later pages of this newsletter, I have included a photo review of some of the activities. There were so many things we did and so much that was accomplished.

Even with all these accomplishments, there is so much more we can do that will help make our lives fuller and richer. I want to encourage you to watch for opportunities to help with events and activities here at Treasure of the Hills.

In January alone, the board will be looking for a Team Lead for the Nominating Team. We are also looking to get the Membership Team organized and there will be many other opportunities to volunteer and be a part of TOTH.

Speaking of volunteers, I want to take this time to give a very heartfelt thanks to Chris Campbell, Frank Mignoli and Pat Thomas. Chris served as Vice President of the board in 2024 and Frank and Pat completed their terms as directors on the board. The contribution of all three of these individuals was invaluable.

We have four newbies on the board for 2025. Sue Holmes has graciously stepped up to serve as Vice President. Jim Anderson and Pat Fiero begin their two-year terms as directors, and Emma Sue Johnson is serving a one-year term. Lisa Leirvaag is our new Secretary, but certainly not a newbie. Thanks to all for serving.

Insights from the VP

By Sue Holmes, Board Vice President

Introducing Our New Vice President...

Hi, I'm Sue Holmes. I'll be the TOTH Vice-President in 2025. I've been a TOTH member "off and on" for a few years. I joined TOTH when I was still working and discovered that most activities were done during the day. I rejoined TOTH when I retired in 2020. I've been an active member since the pandemic ended. I retired after 55 years in publication and the computer technical field. I graduated from Lanier High School in Austin, attended classes at Austin Community College and St. Edward's University. I started my career in publications in print shops and ended up a software technical writer. I wrote reference documentation for programmers to use when programming SAS Software.

I enjoy volunteering so I can get out of the house and visit with people my age. I enjoy cooking for groups, decorating for holidays, playing games, and enjoy communicating with others. I have volunteered in the kitchen several times. I like making snacks to share with others. I enjoy our breakfasts and the conversations we have.

I was born in Austin Texas. I moved to Cedar Park in 1968 when Highway 183 and Ranch Road 620 were two-lanes each and there was a yellow blinking light at the intersection. Cedar Park had a post office and a convenience store. Wow, how it has grown!!

I have two sons, two daughters-in-law, and three granddaughters. My hobby is being a grandma. I'm so proud of all three. Be prepared for a long conversation if you ask me about them! I don't like scary movies. I prefer rom-coms and dramas. I don't have a favorite book or color. Five words to describe myself are: giving, talkative, nosey, empathetic, not-classy.

From the Director

- The city's maintenance crew has adjusted the thermostats to the winter setting. If you need to adjust the temperature, use the up and down arrows on the right side of the thermostat. **DO NOT TOUCH THE BUTTONS ON THE LEFT SIDE!**
- I would like to have volunteers from the groups that need a special setup in the Great Room and TV Room (Bingo, Canasta, Poker, Mexican Train, Bridge) get in touch with me regarding setting up and taking down tables and chairs. In the event that I am unavailable, those volunteers would be responsible for getting the rooms ready for the games, and for tidying up afterwards.
- Early warning: I will be gone January 16 and 17.

JEWELRY CLASSES COMING SOON

Hello! Betsi Newbury here. I am the instructor for the bead weaving classes formerly held on the first and third Wednesdays of each month.

In late August 2024, I asked that the classes go on hiatus for a number of personal reasons, but I feel ready to pick them back up in 2025. However, before we get going again, I would like to suggest a few changes to the focus and structure of the classes.

If you are interested in beading and have some background in bead weaving, please plan to attend the first meeting Wednesday, January 15 at 10:00 a.m. in the library.

I will discuss the changes to the classes I hope to implement moving forward. I will also have information regarding our first project for 2025.

Volunteers of the Year

Be sure to stop by the office and cast your vote for the 2024 Volunteers of the Year. Ballots are available in the front office. You can nominate two people who you feel have made a difference contributing to TOTH during 2024. Voting will be open throughout the month of January.

The December issue of TOTH Puzzles is out. Back issues for June through November, and a list of all the puzzles used in 2024, are also available, and a few copies of the puzzles are always in the reception area -- just ask at the front desk.

This issue contains three word-based puzzles (Language Puzzle, Missing Pairs, Anagram Sets); three logic-based puzzles (Jigsaw Sudoku, Troix, Einstein's Riddle), and three math-based puzzles (MathemaGrids, Nonogrids, Logi-Numbers), either original or from favorite sites, all of whose owners have agreed to allow their puzzles to be printed by TOTH for free as long as attribution is provided and they are for personal use only. Happy Solving!

February Concert

Neon Bridges Concert

Treasure of the Hills presents a free concert with Neon Bridges, aka David Sollee, on Wednesday, February 5 at 1:00 p.m.

Step into a world of vibrant melodies and heartwarming rhythms with Neon Bridges, the musical persona of David Sollee. Growing up amidst the rich cultural tapestries of Sumatra, Indonesia, and Lagos, Nigeria, David brings a global perspective to his music. Since 2015, he has been captivating audiences in Austin with his ukulele performances, crafting sounds that resonate with the eclectic spirit of the city.

David's musical journey began with the bass guitar, followed by self-taught mastery of the guitar and piano. A transformative experience hiking the Appalachian Trail introduced him to the ukulele, leading him to embrace a new direction in his artistry. Before becoming a full-time musician in Austin, he studied Voice and music business, enhancing his self-taught skills.

In 2018, David's adventurous spirit took him international, as he performed a summer of music in Greece, further enriching his sound. Back in Austin, he has played over 1,000 shows at more than 30 venues, from the iconic 6th Street and beyond, becoming a fixture in the local music scene with numerous residency slots.

Beyond the stage, David is a devoted father to a spirited 4-year-old boy. Embracing fatherhood, he finds joy in creating lasting memories through camping adventures and the everyday joys of family life. This deeply personal side of his life brings warmth and authenticity to his music, connecting listeners to the stories behind the songs.

Discover the unique sounds of Neon Bridges by following him on Instagram @neonbridges or dive into his musical journey through linker.ee/neonbridges. Whether performing live or sharing moments online, David Sollee invites you to join him as he bridges experiences through the universal language of music.

Concert: Wednesday, February 5—1:00 p.m.

Constable's Corner

by Constable Jeff Anderson

As we welcome the New Year 2025, it's important to remember safety, especially for senior citizens. One key tip is to ensure that living spaces are well-lit and free from tripping hazards. This includes securing loose rugs, keeping pathways clear, and using night lights in hallways and bathrooms. Staying mindful of these small adjustments can help create a safer environment as we celebrate new beginnings!

Photo Gallery: 2024 in Review

January 2024

The year began with presentations on how to identify scams, offered by Constable Jeff Anderson, and a Balance and Fall Prevention workshop by Dr. Ryan Seifert. We also started up the Monthly Breakfast (*photo to the right*) as we do each January after a two-month hiatus in November and December. We also opened the Center to the AARP Foundation for Tax Aid to those who needed help.

February 2024

February was a month of planning. Early in the month, we held an Annual Planning Meeting where we gathered ideas for events and activities. Plans for the April Caribbean Cruise were coming together and we introduced a survey for members to take to help with our planning. (*Left: George DeMarines shows off her sticker announcing she had taken the survey.*)

March 2024

March was all green with the St. Patrick's Day Celebration lunch! It also marked the final mailing of the Golden Gazette (except in special circumstances) as we moved to emailing the newsletter. We also introduced text blasts so that members were able to get reminders of upcoming events. The board and a special committee were hard at work on by-laws revisions. (*Right: Eileen Brown and Frank Mignoli showing off their Irish green at St. Patty's Celebration.*)

April 2024

April was a busy month with many activities. On April 8th, we gathered for the Total Eclipse with the eclipse glasses donated by PEC. The Spring Fling, under the leadership of Rosa Din, was held on the 13th, and the Recycled Teenagers went on the Caribbean cruise.

(*Below, left to right: Eyes on the skies at the Eclipse Watch Party; Rosa Din at the Spring Fling; Cruisers enjoying afternoon tea on the cruise.*)

May 2024

We celebrated the 34th Birthday of TOTH and all the mothers at a special reception. It was also the first issue of the Weekly Update that is sent each week and the BCH Book Club held their inaugural meeting. We enjoyed a special presentation from Josh Rodrigue with the Cedar Park Parks & Recreation Dept. (*Left: Kitchen crew at the celebration.*)

Photo Gallery: 2024 in Review (con't)

June 2024

Fajitas with Fathers was the special event in June and the first time we used our new grill. We got the new storage shed and the fancy, new-fangled faucet in the kitchen. A special crew, headed by Becky Goad, did a makeover on the front office. We celebrated July 4th a little early and came together in our red, white and blue.

July 2024

We hosted a very successful Senior Industry Services Networking event early in July and held the initial meeting for people interested in an Alaskan cruise in 2025. But the star of the month was the first Music Bingo event that saw almost 60 people attend this inaugural event.

August 2024

In August, Culture Day returned and we hosted our first Puzzler Party, in partnership with the Parks & Recreation Department of Cedar Park. We had eight teams participate and were excited about scheduling another puzzle event in December. We also hosted a guitar concert with Trevor Helt and a Lunch & Learn with Al Sarria, City of Cedar Park Information Services, on the topic of artificial intelligence.

Editor's Note: As I was pulling these photos and events together, I realized there was no way I could include all the things that happened throughout the year; things such as losing our trees, but getting the new plants and pots, passing the by-laws changes, and all the games and meals we had together. Please forgive the omission of any event that you held near and dear.

September 2024

We began September with a Medicare Lunch & Learn with Andrea Coles. PEC hosted a Snack & Learn on energy efficiency for the winter. The “Meet the Candidates” introduced us to the board candidates and followed up with ice cream. A Fall Craft show included demonstration by the artisans to add an extra element to the event. Toward the end of the month, we again partnered with the City Parks & Recreation Department and approximately 20 folks enjoyed a day trip to the Painted Churches in the Schulenburg area.

Andrea Coles, Senior Health Professionals, speaks about Medicare changes coming in 2025.

Jerry Troyer demonstrates his craft to Duane Johnson on the Fall Craft Show.

Participants hear about this Painted Church from the guide during the day trip to the Schulenburg area.

October 2024

The 18th Annual Senior Expo kicked off the month of October. It was our largest and most successful Expo yet; 53 vendors, 10 sponsors, and a great fundraiser for TOTH. We hosted another Culture Day on Greece and held the Annual Meeting and election of Board members.

Senior Expo photos and Denny Clauson reporting at Annual Meeting.

November 2024

We served as a polling place for the national election on November 5th. A successful Game Day and delicious Pie Contest was held on the 16th. Our Annual Thanksgiving Luncheon was enjoyed by the overflow crowd.

December 2024

The following two pages have photos of the outstanding December events.

Puzzler Party

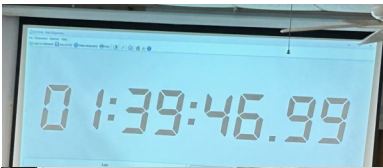

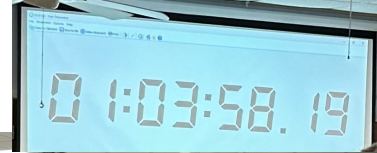

On Saturday, December 7th, TOTH, in partnership with the Parks & Rec Department, hosted our second Puzzler Party. There were nine teams that gathered to compete for 1st, 2nd and 3rd place prizes to complete a 500 piece jigsaw puzzle. There were many children who joined in to help their respective teams. Christmas cookies were served and everyone had a great time. The reigning champions from the August event won for a second time. We even had a visit from two of our city council members.

Above: Team Terri, the reigning champs, won first prize once again with a time of 1 hour, 2 minutes and 31 seconds.

Below: The Pickles Team, led by Jill Howard, came in second with a time of 1:03:58, only 1 minute and 27 seconds behind first place.

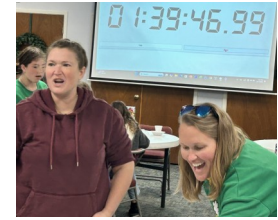

Third place winners were the Jigsaw Janes with a time of 1:39:46.

Left: The Crazy Corgi Team, led by Krystal McDonald, came in fourth, very close behind the third place winners.

Below: Other teams working fast and furiously, and then reacting to the winners.

The next Puzzler Party is scheduled for Saturday, April 5th at 1:30 p.m. All are invited to join in the fun!

Photo Gallery: *Christmas Luncheon*

Close to 80 people gathered on December 18th for the Annual Christmas Luncheon. It was a sea of Christmas red and green as we enjoyed the delicious food by Chef Felix and listened to the wonderful music of Pierson Keating and Mark Scott. Thank you to all who helped with the luncheon and special thanks to Ketan Ajmera for the desserts.
