President's Message

By Ellen Fannin

In early 2024, we did a survey of the members of Treasure of the Hills. At the time, we had just over 200 paid members. Out of the total membership, we received 90 responses, representing nearly a 40% response rate. This is a phenomenal number considering most surveys receive a 3%-10% return.

We found out some very interesting information. First, over half of the membership (at least those that responded) were in the age bracket of 71-80 years of age. Our membership is predominantly female, and the majority had been members five years or less.

One of the most interesting things we discovered, mainly from the comments provided to the various questions, was that the majority of people simply wanted to come to the Center to play games, exercise and socialize.

These responses raised concerns among the board members. As a volunteer organization, the burden of leading events and activities falls on the shoulders of a few.

After some discussions, the only solution we could see was to approach the City with the idea of them taking over the running of the Center. After all, the building, including the maintenance and utilities, is owned and the responsibility of the City.

In light of Cedar Park's expanding population, especially its senior population, a Senior Center, overseen by the city, seems the next logical step.

In this vein, I recently had a conversation with the Director of the Cedar Park Parks & Recreation Department. Although the City is not ready any time soon to take over the running of the Center, the discussion was very fruitful.

Our plan for the near future is to work together on various activities and events; activities such as the Wine Tour and the Senior Expo. They have offered the use of the Community Room for large luncheons.

I am very encouraged and excited about the prospect of working more with them. It is not going to happen overnight, but there is agreement that, for the sake of the senior population, the City should eventually take over the running of the Senior Center.

Insights from the VP

By Sue Holmes, Board Vice President

I Need Help!!

As you are aware, as Vice President of the Board, I am responsible for the monthly “Lunch & Learns.” We have some great presentations coming up.

I provided lunch in January and February. For the March lunch, a member, Bob DePaola and his wife, Rita, have volunteered to provide lunch. For the April lunch, Lisa Leirvaag and Pat Fiero are providing lunch.

My ask is: I need help on May 21 and June 18. Any member who would like to provide an entree, sides, or desserts on those days, please let me know. The Center will refund you for the expenses you incur on food. Call or text me (Sue Holmes) at 512-751-5843 or email me at sue.holmes1950@gmail.com. Thanks in advance for helping.

Texas Chili Recipe

At the February Lunch & Learn, which was during the severe cold snap, I served Texas Chili. Several people asked for the recipe, so here it is.

Ingredients:

2 tablespoons vegetable oil
3 lbs. 93% hamburger meat
3 cloves fresh garlic, minced
1 medium Texas Sweet onion, chopped

2 packages HEB Texas Chile mix
One 14.5 oz can of Petite Diced Tomatoes
One 14.5 oz can of Tomato Sauce
Sea salt & black pepper to taste

Instructions:

Brown onion and garlic in vegetable oil in a big pan. Crumble hamburger as you add it to the onion and garlic and brown. Once the hamburger is browned, add the HEB Chili mix and stir well. Add the tomatoes, tomato sauce, salt and pepper. Pour mixture into a crock pot and simmer for 4 to 6 hours, stirring occasionally. Enjoy!

Washing the dishes after January’s breakfast, we discovered that the new faucet was leaking. The city’s maintenance crew came and fixed the faucet and, at the same time, discovered that there was a leak in the sink as well. They will install a whole new sink for us.

Some time ago, a physical therapist visited our Sit & Fit group, showed some special exercises, gave advice - and highly recommended that we get different chairs. The Board gave the green light to purchase 10 new, sturdy, stackable chairs. After some “test sitting” by several members, the chairs were found quite satisfactory. See photos below.

2024 Volunteers of the Year

Pat Fiero

Pat has been volunteering all of her adult life. She was a Cub Scout and Girl Scout leader. She volunteered with the Texas School Food Services Association, worked with the PTA, and was a host at both State and National Park Campgrounds.

After her husband died, Pat was looking for a place to exercise. She saw Treasure of the Hills online and decided to visit. One activity she tried was Sit & Fit. She really enjoyed the workouts as well as the fellowship.

As a result of this introduction, Pat became the Sit & Fit Leader. Her other volunteer activities at the Center include helping in the kitchen for lunches and serving as the team lead for the Monthly Saturday breakfasts.

She says she volunteers because “It makes me happy to do something that benefits others as well as myself.”

Pat was also voted “Volunteer of the Year” in 2022.

Pat wanted to share a family story with us. “When my grandmother was in her 90s, she walked a mile to a church to volunteer to help serve lunch to the seniors. When asked what she (my grandmother) had been up to, her reply was, ‘I fed the old folks!’

“My children kid me that I am my grandmother and brag to everyone that I also ‘feed the old folks!’

“I hope that I can continue to live up to my heritage.

“I would like to thank everyone who voted for me as well as those who always tell me that they enjoyed a meal or thank me for leading Sit & Fit. You are my second family!”

Thank you, Pat!

Jim Anderson

It wasn’t until Jim had joined Treasure of the Hills in 2021 that he started volunteering, but he has made up for ever since.

“I was 76,” Jim shares, “when I started volunteering at TOTH in 2022. TOTH was my first volunteering effort.”

Jim’s first volunteer activity was helping out in the kitchen making pancakes for the breakfast and helping to clean up.

Because he loves gardening, Jim soon started working in the Memorial Garden, along with other volunteers.

Since his background is in software development, he knows his way around a computer, and helps with computer issues at the Center. Most recently, he has taken the lead on the new sound system.

When asked what he believes the benefits of volunteering to be and why he volunteers, Jim said, “TOTH is a great place for older folks to meet people, enjoy playing games and various other activities. I feel this is very important for older people who can easily become socially isolated.

“I volunteer to contribute to the TOTH community. It keeps me socially active and I enjoy interacting with the people, particularly the other volunteers. The camaraderie of the volunteers is energizing.”

This is the second year that Jim has been voted “Volunteer of the Year,” having received that honor in 2023.

We are grateful to both Jim and Pat for the huge contribution they make to Treasure of the Hills Senior Center. It is this spirit of volunteering that keep the Center thriving. Thank you both for all you do and have done!

Jewelry Classes

featuring Bead Work

Bead Weaving Classes

The TOTH Jewelry Ladies completed their first project in 2025 a couple of weeks ago. We all made flat spiral bracelets; one of the group, Ann Mignoli, added embellishments to hers, making it even more beautiful.

Ann Mignoli's Bracelets

On February 12th, to prepare for our second project, the Mika Band, our Wednesday meeting consisted of a field trip to an actual bead store in Austin, Sea of Beads on Anderson Lane.

Going into a store that only sells beads and the items to turn them into sparkly finished pieces can be overwhelming for first-timers, but we all left the store without breaking the bank and were looking forward to our next session which began on February 26th.

If you have beading experience with small (size 11/0) beads and want to try your hand at the Mika band, there is a sign-up sheet in the TOTH office. I will bring a copy of the pattern, but the beaders provide their supplies. This is not a group for beginners.

Baby Car Seat Needed

A political refugee family whose baby is due on March 11th is in need of a car seat. This family has a 5-year-old boy and a 2-1/2-year-old girl who have car seats. They have tried to get a new free baby car seat through WIC, their doctor and the hospital, but none of these agencies and individuals are able to provide one. The car seat can be for an infant or a toddler.

If you know of anyone who might have one to donate, please contact Elaine Allan at 512-750-7730 or borntohelp1961@gmail.com.

TOTH member Elaine Allan works with refugee families from Afghanistan and Africa to help them settle in the USA.

Cruisin' to Alaska

with the Recycled Teenagers

The next meeting for all interested in the Alaskan Cruise will be on Wednesday, March 12. We will be ordering the "Recycled Teenager" t-shirts and discussing other details pertaining to the cruise.

The Recycled Teenagers Alaskan cruise is planned for August 24 - August 31, 2025, on the Discovery Princess taking off from and returning to the Seattle port. Passports are required and need to be current for six months after the ship returns to Seattle. In other words, your passport should not expire until after February of 2026.

Princess gives a credit to veterans who email a copy of their discharge paper. (\$100 for a 7-day cruise.)

Our rep at Princess, Dan Swislow, can be reached at dswislow@princesscruises.com. For pricing, available cabins, transfers to the ship, and more info, email Dan.

Our local person with cruise info is Mary Riordon, 512-260-8876 (a landline, so no texting).
Happy Cruising!

Next Meeting: Wed., March 12—10:30 a.m.

by **Josh Rodrigue, Recreation Manager**
Cedar Park Parks & Recreation Department

We are looking into the possibility of starting a Senior Archery Class. The Youth Archery Class has been really popular and we want to gauge the interest for a seniors class. It can provide a chance to learn a new skill or an opportunity to shoot a bow like you did when you were younger.

Classes will likely be an hour long, once a week for four to five weeks. Parks & Rec would provide all the equipment.

There is a sign up sheet in the TOTH front office where you can let us know of your interest.

2025 Senior Expo Volunteer Meeting

The 2024 Senior Expo was the most successful Expo thus far, raising in excess of \$10,000. But now it is time to begin the planning for the 2025 Senior Expo.

Just as we did last year, we are going to kick the campaign off with a Volunteer Lunch of fajitas on Wednesday, April 9th at 12:00 noon. Please sign up in the front office so that we can plan the food.

We have some new ideas and will need lots of help. At the meeting, you will learn what the different volunteer opportunities are so that you can choose what resonates with you.

Our goal is to make 2025 even better!

The following were donated by TOTH members. You are invited to share jokes, sayings and other humorous items. Email them to the Gazette at fanninellen@gmail.com.

Safety Tips from the Cedar Park Fire Dept.

By Adam Story

Administrative Assistant Chief and Fire Marshal

Clothes Dryer Fire Prevention & Safety

Did you know that clothes dryers are one of the leading causes of house fires in the United States? According to the National Fire Protection Association and the Consumer Product Safety Commission, there are approximately 15,000 house fires a year attributed to clothes dryers. Here are a few steps you can take to help reduce this fire hazard in your home:

- Do not use the dryer without a lint filter.
- Clean the lint filter after each dryer load and inspect around the filter housing and drum for additional lint buildup.
- Make sure your dryer exhaust vent opening on the outside of the house is not clogged or stuck in the closed position.
- Turn the dryer off before leaving the house or going to bed.

Follow this link for additional dryer safety tips and reduce the chance of a fire occurring in your home!

Member Ads in Gazette

Do you have a retirement hobby or sideline to make a few bucks? The Golden Gazette would be a good place to advertise it.

We have a special TOTH members rate of \$10 per issue or \$50 for six months. Ads should be business card size (3.5"x2"). If you need help with the layout, we are happy to help you design your add.

If you would like to advertise, contact Ellen Fannin at fanninellen@gmail.com, for info.

Do You Need Transportation?

As we age, we are less able or willing to drive. Many of our members have lost their ability to drive safely and are more homebound and unable to participate in activities at Treasure of the Hills.

Keep Safe Care-Cedar Park, in addition to their private caregiving services, are able to provide transportation to our members in order to assist them in maintaining socialization and being active.

One TOTH member reported that she had contacted Keep Safe Care and was very pleased with the interview and outcome to their discussion.

Contact Alicia Reisen, owner/operator of Keep Safe Care-Cedar Park, at 512-887-8277 to discuss your needs.

Photo Gallery: TOTH Activities—Lunch & Learn

On one of the coldest days of the year, TOTH members gathered for the Lunch & Learn on Senior Safety. Sue Holmes served three homemade soups, along with salad, cornbread and cookies. The soups were a warm welcome from the weather.

The speaker was Sgt. Jessie Campbell, a 31 year veteran of the Cedar Park Police Department and the Sergeant over the Community Services Division. He outlined what his Division does and then shared some valuable safety tips.

His recommendation is to walk in the daytime, preferably with another person. Wear a reflective vest and, if you listen to music or podcasts during your walk, keep one ear bud out so that you can hear what is going on around you.

When he came to the question about the safest time to drive in Cedar Park, he had to laugh and commented, “It’s always crazy!”

He did share that the two most dangerous intersections were Whitestone & Bell/183 and New Hope & Bell/183.

The March Lunch & Learn is on March 19 at noon. The presentation will be by Hill Country Bloomers, a well-known gardening club in our area.
